

## Our Service **FOR COMPANIES**

Become a part of the project and help us to establish a welcoming culture in and around Greifswald.

We will help you find qualified professionals and help them get settled in and feel at home.

We help to relieve your human resources department and our welcoming services are an additional argument that you can mention in your job advertisements.

We support your employees' families in every aspect of our advisory services.

We involve your company in our public relations activities.

If you are interested, we would be happy to discuss the bonus a partnership could bring your company.

## WELCOME to Greifswald and its surrounding region

we're looking forward to helping  
you settle in!

**Make the most of our regional expertise at no extra cost.** We make it easier for you and your family to start your new jobs and shape your future at your new place of residence.

The Welcome Center Region Greifswald is **the central point** of contact for people moving to the region from across Germany and abroad, as well as for local companies in search of qualified professionals.

Our personal and trustworthy advisory services provide you with **individual help and support.** Thanks to our strong ties to important cooperation partners and our successful networking activities, we are in a position to introduce you to regional players and institutions.
